Kevin-

Try the lab number first (413-545-2607) - if I'm not here (i.e. in Springfield District Court), they will let you know. In that case, you can call my cell ([REDACTED]). I'll make sure I have it on me, but if I don't pick up it means I'm probably on the stand, so just leave a message and I'll make sure to check it as soon as I can.

Sonja,

I just spoke with ADA Max Bennett. He said you could be on call for these cases. [REDACTED] is a possible plea, and [REDACTED] might be a trial. What's the best number to get you?  
Kevin

Hi Kevin-

Just letting you know that I received the summonses for the following trials scheduled for August 4th and, although I do not anticipate a problem, I am on call for a district court case in Springfield that day as well.
